When Mrs. Degenfelder took over the school cafeteria in 1975, she made our school lunches the best ever.

Through her dedication to the teachers and students here at L.C.S., she has made the meals delicious, adding snacks and salads to the daily menu.

It is through her hard work and generous concern as the school dietician, that the Legend Staff and Student Council dedicate the 1979 Legend to Mrs. Mary Liz Degenfelder.

As the 1978-1979 school year comes to an end, we start to realize that after graduating from high school we take flight out into the world like our feathered friends. This is why "Freebird" was chosen as the theme for this years Legend.

In the '79 annual we tried to capture the free spirit of the bird and how it must plan its own course and destiny through life as we all must.

As this time I would like to express my deepest thanks to Steve McCullough for the beautiful photography throughout the yearbook. And the special photography effects done by Mr. Tamrowski. Also to the Drawing and Painting class for the fantastic art work. An extended thanks to all the Legend Staff members. A special thank you to the staff editors for their extra effort to make this years Legend the best and most memorable. And most of all a giant thank you to Mr. Tamrowski, without his help and guidance the Legend would have never gotten off the planning sheets.

Jan Views Letchworth

My name is Jan-Olof Mikael Svedman. I'm an exchange student from Sweden and I'm staying at Letchworth for the year. I came through an organization called AFS (American Field Service). AFS is like a public international symbol for peace. AFS tries to open the gates and doors of countries and of people to expose them to other cultures and different life-styles. AFS represents a coalition of young and old working together all over the world—as families and as volunteers—to bring together and unify a world of differences into a common humanity. Through AFS I have grown a lot, gained more understanding and knowledge of other people.

I'm very thankful for having the opportunity to be an active AFS student. At this time I would like to thank my friends at Letchworth and my AFS family, Mr. and Mrs. James Little.

McDonalds in Frankfort, Germany

View of Vilseck, Germany

Spending the summer of 1978 in West Germany as a AFS student, I lived in a small Bavarian farm town, surrounded by hills and meadows. Sinzendorf was located ten miles from the CSSR border (Czechoslovakian Border) and two hundred miles from the city of Munich. Sinzendorf had a one hundred and twenty habitants who were mostly dairy farmers. My family, a young couple, Hans and Christa Wutz had a boy Christian, five; and twin baby boys Andreas and Garhart. They lived in a large, white, stone house, with large barns and much machinery.

I have made many new friends and lived in a culture different from our own, and it was a terrific experience.

I would like to extend my appreciation to my local AFS chapter for assisting me with the experience. I really urge all students with a flair for new exciting and educational experiences to apply for the AFS scholarship. It will make a new person out of you.

We are the Future Homemakers of America.
We face the future with warm courage and
high hope.

For we have the clear consciousness of
seeking
Old and precious values.
For we are the builders of homes
Homes for America's future
Homes where living will be the expression
of everything
That is good and fair
Homes where truth and love and security
and faith
will be realities, not dreams.

We are the Future Homemakers of
America
We face the future with warm courage and
high hope.

Postscript

The patrons on the following pages with their generous support represent twenty percent of our yearbook costs. We sincerely urge you to patronize them as they have supported us. It is very difficult to thank them enough and we publish their names to make you aware of the fact that there is help out there.

In addition, further appreciation and gratitude go out to Judy Andrews for her fine cover design. Again, we acknowledge permission granted us by MCA Records for the use of the theme "Freebird".

Years from now as you page through this 1979 annual, try to remember the "Freebird" theme and its effects on our future lives.

Tom,
You're a super guy.
It was great having
classes together this
year. Always remember
Webbing's jokes. Hope to see you over the
summer if I don't have to go
to summer school!

Tom,

To a real cute and
Sexy guy that when you
work you move in all the
right places and it drives me
absolutely crazy but

now Tom be careful with
your new car you'll have to
stop by ~~myself~~ house and give
me a ride. That a deal?

I hope you have a real
fun summer but don't even
if by getting into trouble.

Remember Jan the fun in
Gym and Study Hall's by
those were the days and
I hope they never end

Love ya,

Judy

*If I should leave here tomorrow,
would you still remember me,
for I must be traveling on now,
'cause there's too many places I got to see.
If I stay here with you girl,
things just couldn't be the same,
'cause I'm as free as a bird now,
and this bird you cannot change,
Lord knows I can't change.*
